**MINUTES OF MEETING ON CLASS COMMITTEE HELD ON 04.1.2020**

Class committee meeting was held on 04.1.2020 at 10.10 A.M. During the meeting the following points were discussed about to improve the teaching-learning process and the functions of the class committee.

1. Solving the problems of students in the class room and the lab.
2. Clarifying the regulations of the degree program and displaying on the notice board.
3. Informing the academic schedule and the dates of assessment examinations to the representative of students.
4. Identifying the weak students and providing additional help in terms of guidance or coaching to the academically weak students.
5. Analyzing the performance of the students after each test and finding out the proper ways to improve the results of the individual performance.
6. Planned to give counseling to each student in terms of guidance of their education and career path.
7. Checking the syllabus portion coverage every week
